Each bench purchased and donated to the Town of La Conner will include a plaque identifying the purchaser and the person or family being memorialized or honored. The cost of the bench can be shared by up to three individuals or groups, with each donor being represented by a plaque on the bench. There is a fee for each additional plaque.

The 5-foot memorial benches will be sited in pre-established locations in La Conner’s street-end parks along the Swinomish Channel. The bench is of the highest quality and is manufactured in Washington State. It is fabricated of cast iron and powder coated for durability. The classic design offers lasting beauty in keeping with a memorial.

A donation of $2,100 to the Town of La Conner will cover the cost of the bench, plaque, shipping, installation and sales tax. Prices are subject to change. Please verify by calling Town Hall.

Donations may be tax deductible. Please contact your tax advisor.
