## Old Business

Kelly is working with Lori Clumpner from the Town and Greg Robinson from MoNA to submit a grant application to the Washington Arts Commission for funding to support Art's Alive! Maximum they can apply for is \$2500. There has been a 25% cut in funding for WAC this year. Pro-Panels were purchased with the grant from last year to hang additional art during the event. The idea of having a separate jewelry show in the Garden Club instead of the woodworkers display for this year's event was discussed. Pat reported that there will be live art demonstrations at the Historical Museum again this year.

## Sculpture

Tracy reported that the sculptors need to be paid their stipends for installing their work. Rack cards for the new exhibit are under way and are being ordered from a more economical printer than they were from in the past. The opening of the sculpture exhibit was well attended and led by Mayor Ramon Hayes. Former Student Representative, Alex Kramer, wrote an article that was published in the LaConner Weekly News regarding the event.

Move to adjourn by Tracy, 2<sup>nd</sup> by Pat. Passed

Respectfully submitted,  
Pat Doran, Secretary
