Old Business:

Tracy reported on the state of the sculptures, noting that some of them need cleaning. Lloyd Whannell, sculptor of the recently purchased "Silent Words" will polish the patina on the bronze portion of the sculpture and Tracy will take care of the rest. He noted that the plastic boxes that hold the rack cards are starting to deteriorate and we will need to replace some of them. Bill Matheson, former Commission member and Sculpture Chair will be contacted as to where we purchased these in the past.

Art's Alive! Update:

The featured artist has been selected and is Georgia Gerber, a bronze sculptor, from Whidbey Island. Bookmarks have been ordered with the image and will be available soon. There are going to be between 5 and 8 Emerging Artists, at least 12 Invitational Artists and over 100 letters have been sent out to the Open Show Artists. Artists in the Open Show may only submit one piece of art this year.

John reported that the Hotel/Motel funds are down this year. These funds are usually disbursed beginning mid-summer, but there will definitely be less revenue by the end of the year.

Moved by John and seconded by Claire to adjourn. Passed

Respectfully submitted,

Pat Doran, Secretary
